

BOISE STATE UNIVERSITY

SCHOOL OF PUBLIC SERVICE

AT a GLANCE

WE SPEAK A COMMON LANGUAGE: **SERVING THE PUBLIC**

The School prepares students, public servants, and leaders to think both regionally and globally in an interdependent world. As such, it serves as a centralized resource for policy makers—to assist them in making informed decisions—and for faculty and students to actively connect and engage with the community and participate in policy decisions.

The bridging of disciplines across the university and the larger community enhances the education of students, allowing them to apply their knowledge and skills to the critical challenges facing the public, private and non-profit sectors.
